Subject: Over payment of patent application number: 10/711322

Dear Commissioner:

I submitted patent application number 10/711322 on 09/10/2004 using the ePay 5.1 electronic filing system.

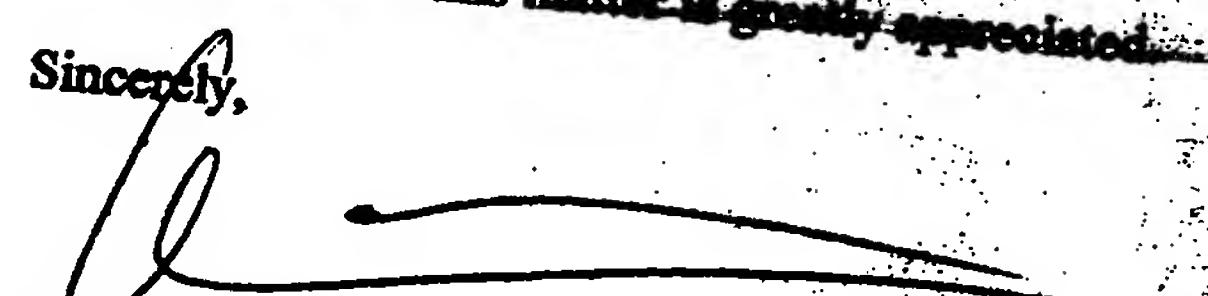

I made a mistake on the application in that I did not select "small" entity. Because of this mistake, the fee was calculated at \$546.00. As a small entity I should have paid \$428.00.

I am requesting a correction to the above-mentioned patent application to change the Entity status from "large" to "small" and credit the billed credit card for the difference in fees.

If there is any questions or issue's please feel free to contact me at the address and number listed below.

Your attention to this matter is greatly appreciated.

Sincerely,
